1302 North Street SE Olympia, WA

Sponsorship Options

Solar Power

\$1,000+

All Solar Power Sponsors will be recognized at the convention. You will be recognized by name and logo (where appropriate) in all printed Convention materials and in media outreach to include:

- Convention poster, to be distributed throughout the area,
- Electronic materials distributed by email to potential participants and sponsors,
- Convention website landing and sponsor pages with weblinks,
- Press releases and public service announcements about the event, to include newspaper, radio, Facebook and Twitter,
- Convention agenda,
- Electronic banner that will rotate through the sponsors at the convention during registration and lunch.

You are invited to have a banner and a table at the convention, showcasing what you are doing to help reduce our community's greenhouse gas emissions and facilitate a transition to clean energy. Demonstrations and hands-on activities are encouraged.

You will receive 6 complimentary convention registrations.

Wind Power

\$750

All Wind Power Sponsors will be recognized at the convention. You will be recognized by name and logo (where appropriate and space permitting) in all printed convention materials and in media outreach to include:

- Convention poster, to be distributed throughout the area,
- Electronic materials distributed by email to potential participants and sponsors,
- Convention website sponsor page with weblink,
- Press releases and public service announcements about the event, to include newspaper, radio, Facebook and Twitter,
- Convention agenda,
- Electronic banner that will rotate through the sponsors at the convention during registration and lunch.

You are invited to have a banner and a table at the convention, showcasing what your organization is doing to help reduce our community's greenhouse gas emissions and facilitate a transition to clean energy. Demonstrations and hands-on activities are encouraged.

You will receive 5 complimentary convention registrations.

Hydro Power

\$500

All Hydro Power Sponsors will be recognized by name and logo (where appropriate and space permitting) on:

- Convention poster, to be distributed throughout the area,
- Electronic materials distributed by email to potential participants and sponsors,
- Convention website sponsor page with weblink,
- Press releases and public service announcements about the event,
- Convention agenda,
- Electronic banner that will rotate through the sponsors at the convention during registration and lunch.

You are invited to have a banner and a table at the convention, showcasing what your organization is doing to help reduce our community's greenhouse gas emissions and facilitate a transition to clean energy. Demonstrations and hands-on activities are encouraged.

You will receive 4 complimentary convention registrations.

Geothermal Power

\$250

All Geothermal Power Sponsors will be recognized by name and logo (where appropriate and space permitting) on:

- Convention poster, to be distributed throughout the area,
- Electronic materials distributed by email to potential participants and sponsors,
- Convention website sponsor page with weblink,
- Convention agenda,
- Time permitting, on electronic banner that will rotate through the sponsors at the convention during registration and lunch.

You are invited to have a banner and a table at the convention, showcasing what your organization is doing to help reduce our community's greenhouse gas emissions and facilitate a transition to clean energy. Demonstrations and hands-on activities are encouraged.

You will receive 2 complimentary convention registrations.

Kinetic Power

\$100 individual

All Kinetic Power Sponsors will be recognized by name:

- On the convention website sponsor page.

You will receive 1 complimentary convention registration.
